Press release

Aqaba - September 3, 2026 - Sada College of Applied Sciences launched a programme today to support psychosocial support in Amman and Sahab, with 1381 participants in its first year.

"We have built this programme with the communities we serve since 2019," said Haya Al-Azmeh, who chairs Sada College of Applied Sciences.

The programme is funded by Al-Yaqout General Trading and runs until 20-11-2026.
